ESSENTIALS
A Daily Program

Vibrant Health – Simple & Convenient

This special program includes several products designed to address the four basic health issues we all face today:

- **incomplete digestion**
- **poor assimilation and elimination**
- **inadequate nutrition**
- **breakdown of the immune system in a toxic environment**

The **CELL TECH ESSENTIALS** bag includes 30 packets. Each packet contains the following products:

Alpha Sun® Super Blue Green® Algae, 1 vegicap. Freeze-dried wild micro-algae, raw and enzymatically active, no fillers, just pure wholefood nutrition. Provides energy, immune support, vitamins, well-rounded natural minerals and amino acids for whole-body health.*

Omega Sun® The intracellular form of Super Blue Green® Algae, 1 vegicap. This is the interior part of the cell and provides a stronger concentration of nutrients that feed the central nervous system, to help us deal with stress, improve memory, concentration, focus and clarity.*

Enzymes with Super Blue Green® Algae, 2 capsules. Natural food enzymes , to use with and between meals to predigest food, help with assimilation and elimination and to cleanse cells and organs of unwanted debris.*

Acidophilus with Super Blue Green® Algae, 1 capsule. Beneficial organisms to replenish the intestinal flora in stomach and small intestine, boost immune system and assist elimination.*

Bifidus with Super Blue Green® algae, 1 capsule, works like *Acidophilus*, in the colon (large intestine).

Suggested Use: As a basic monthly program, use one or more packs per day. Each product is also available separately in larger quantities. Additional Cell Tech products may be added to the program. These products may be used with any other supplements and diets.

A Unique Nutritional Breakthrough
Delivers **MAXIMUM FOOD POWER!**

The Brain is Connected to the Digestive Tract!

- The brain is the *hungriest* organ of the body. No other organ uses as many nutrients.
- The brain is dependent on food being sufficiently nutritious, broken down, assimilated and absorbed.
- A balanced variety of absorbed nutrients is especially important for memory, focus and mental clarity.
